

105TH CONGRESS
2D SESSION

S. 1690

To provide for the transfer of certain employees of the Internal Revenue Service to the Department of Justice, Drug Enforcement Administration, to establish the Department of National Drug Control Policy, and for other purposes.

IN THE SENATE OF THE UNITED STATES

FEBRUARY 26, 1998

Mr. FAIRCLOTH introduced the following bill; which was read twice and referred to the Committee on Governmental Affairs

A BILL

To provide for the transfer of certain employees of the Internal Revenue Service to the Department of Justice, Drug Enforcement Administration, to establish the Department of National Drug Control Policy, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “American Priorities
5 Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) despite many billions of dollars being spent
2 by the Federal, State, and local governments on the
3 war on drugs, over the last 5 years there has been
4 a serious deterioration in the level of drug use, espe-
5 cially among young people;

6 (2) one significant reason for this deterioration
7 is a serious national misapplication of Federal re-
8 sources;

9 (3) the Drug Enforcement Administration,
10 which is at the national forefront of the war on
11 drugs, has only 8,449 personnel, 4,238 of whom are
12 special agents;

13 (4) the Internal Revenue Service employs ap-
14 proximately 100,000 persons, 46,000 of whom are
15 enforcement officials;

16 (5) recent congressional oversight has revealed
17 that the Internal Revenue Service has excess civil
18 and criminal enforcement resources, much of which
19 is not serving the public interest;

20 (6) numerous other Federal departments and
21 agencies have similar excess resources; and

22 (7) winning the war on drugs is a priority equal
23 to, if not more important than, that assigned to
24 other functions of the Federal Government, and ac-
25 cordingly requires not only a reallocation of national

1 resources, but also the establishment of a Depart-
2 ment of National Drug Control Policy, to fully mar-
3 shal and coordinate the available Federal resources.

4 **SEC. 3. DEPARTMENT OF NATIONAL DRUG CONTROL POL-**
5 **ICY.**

18 the Office of Management and Budget shall submit to
19 Congress a report describing—

21 and conforming amendments necessary to carry out
22 this section; and

23 (2) the resources and potential resources of the
24 Federal Government available to the Department of
25 National Drug Control Policy established under sub-

1 section (a) from other departments and agencies of
2 the Federal government, with an emphasis on any
3 resources available from the Internal Revenue Serv-
4 ice.
